Section 10-702 further provides that a buyer who receives the disclosure or disclaimer statement on or before entering into a contract of sale does not have the right to rescind the contract based upon the information contained in the disclosure or disclaimer statement.

You are hereby notified that, in certain circumstances, you have the right to rescind your contract with the seller if the seller fails to deliver to you the written property condition disclosure or disclaimer statement. Section 10-702 provides that a buyer who does not receive the disclosure or disclaimer statement on or before entering into the contract has the unconditional right, upon written notice to the seller or seller's agent:

Your rights as a buyer under Section 10-702 may not be waived in the contract and any attempted waiver is void. Your rights as the buyer to terminate the contract under Section 10-702 are waived conclusively if not exercised before:

- (i) Closing or occupancy by you, whichever occurs first, in the event of a sale; or
- (ii) Occupancy, in the event of a lease with option to purchase.

The information contained in the property condition disclosure statement is the representation of the seller and not the representation of the real estate broker or sales person, if any. A disclosure by the seller is not a substitute for an inspection by an independent professional home inspection company. You should consider obtaining such an inspection. The information contained in a disclosure statement by the seller is not a warranty by the seller as to the condition of the property of which condition the seller has no actual knowledge or other condition, including latent defects, of which the seller has no actual knowledge. The seller is not required to undertake or provide an independent investigation or inspection of the property in order to make the disclosures required by Section 10-702. The seller is not liable for an error, inaccuracy or omission in the disclosure statement if the error, inaccuracy or omission was based upon information that was not within the actual knowledge of the seller or was provided to the seller by a third party as specified in Section 10-702(i) or (j).

You may wish to obtain professional advice about the property or obtain an inspection of the property.

The undersigned buyer(s) and seller(s) acknowledge receipt of this notice on the date indicated below and acknowledge that the real estate licensee(s) named below have informed the buyer(s) and the seller(s) of the buyer(s)' rights and the seller(s)' obligations under Section 10-702.

Duties of a Dual Agent and Intra-Company Agent

Like other agents, dual agents and intra-company agents must keep confidential information about a client's bargaining position or motivations unless the client gives consent to disclose the information. For example, a dual agent or intra-company agent may not tell the other party or the other party's agent, without consent of the client:

- anything the client asks to be kept confidential*,
- that the seller would accept a lower price or other terms,
- that the buyer would accept a higher price or other terms,
- the reasons why a party wants to sell or buy, or
- that a party needs to sell or buy quickly.

* However, like all agents, a dual agent and intra-company agent must disclose any material facts about the property to the other party.

How Dual Agents are Paid

Only the dual agent receives compensation on the sale of a property listed by that company. If a financial bonus is offered to an agent who sells property that is listed with his company, this fact must be disclosed in writing to both the buyer and seller.

I have read the above information, and I understand the terms of the dual agency. I understand that I do not have to consent to a dual agency, and that if I do not consent, there will not be a dual agency. I hereby voluntarily consent to have Long & Foster Real Estate, Inc. act as dual agent for me as the:
(Firm Name)

seller in the sale of the property at: 1414 Flora Terrace Silver Spring, MD 20910

buyer in the purchase of any property listed for sale with the above-referenced firm.

- Phase in value comes from the data base at the Maryland Department of Assessments and Taxation <http://www.dat.state.md.us/>, Real Property Data Search. The phase in value is for the next fiscal year, if available, otherwise the phase in value is for current fiscal year.
- Tax rates come from the current property tax bill, which also may include several non-tax charges, at the web page of the County Government's Department of Finance: <http://www.montgomerycountymd.gov/finance>. Look for a link to "Pay or view your property tax bill on line".
- County Property Tax is the sum of the General Fund tax and several special fund taxes.
- All non-tax charges (for example Solid Waste, Water Quality Protection, Bay Restoration Fund, WSSC) are the charges in the current fiscal year. These charges may be different in the next fiscal year.
- This property is located in an **existing** development district. Each year a special development district assessment must be paid. Effective every July 1st, the rate will change based on changes in the property assessment and debt service requirements. More information is available in the FAQ section of this website.
- You must update the estimate for the property taxes and other non-tax charges
 - Every July 1, because the tax rates, phase-in values, and other non-tax charges will or may change;
AND ALSO
 - In early January if the calculation used the phase-in value for the current fiscal year instead of the phase-in value for the next fiscal year, because SDAT had not yet specified the phase in value for the next fiscal year. This occurs in the period July 1 - early January in the third year of the three year assessment cycle.
- This property is located in a **proposed** development district. At some date in the future, development district taxes may be levied to pay debt service on bonds issued to build infrastructure in the district. It is important that property owners recognize that this additional tax may be levied in the future. The rate indicated above is an estimate and will change once the district is created and bonds are issued. More information is available in the FAQ section of this website.
- The Proposed Estimated Total includes all actual and proposed taxes and non-tax charges relative to this property.
